

ASHRAE Region XIII CHAPTERS REGIONAL CONFERENCE 2005

Website: <http://ashrae-region13.org/crc2005.html>

Email: info@ashrae.org.hk

Date: 26-27 August 2005

Venue: Kowloon Shangri-La Hotel, Hong Kong

Special theme: Green CRC

Every year ASHRAE chapters take turn to host CRC for Region XIII. To facilitate the meetings, a lot of document and reference materials are photocopied for the delegates but most of them are used once before trashed. So "Green CRC" is a clear objective for all delegates to minimize the use of paper. The Organizing Committee will provide maximum IT support towards paperless goal while the meetings will be conducted smoothly.

Honorable guest speakers:

Mr Lee Burgett, PE,
ASHRAE Fellow, President-Elect 2004-05

Prof Yi Jiang
Dean of Department of Building Science,
Vice Principal of School of Architecture,
Tsinghua University;
lead author of *Assessment System

Feel it! Enjoy it!

Hong Kong is simply dazzling. Experience the distinctive blend of East and West in this dynamic city. Feel the rush as you indulge in shopping. Savour culinary delicacies. Open your senses to Hong Kong's amazing skyline, bustling harbour and peaceful countryside. Come discover the diversity and sophistication that is Hong Kong. You'll love it!

For Accommodation

Hotels are situated on Hong Kong Island, Kowloon, in the New Territories and on the outlying islands. You can stay among the big city lights, in the verdant countryside or by the beach - the choice is yours. No matter where you stay, all of Hong Kong's attractions are close at hand. The excellent public transport system means you are only a short journey away from the bustle of the city or the tranquillity of the outlying islands.
